Since graduating from LSM I have been busy running our business PakMail of San Marcos. We are located at 102 Wonder World Dr. #304. The business is family owned and operated by Richard, my husband, Gail, my sister and myself. We are into our 13th year of service. We are continually working with our customers to help them get their precious packages or returns in route the safest and most cost effective way. We ship UPS, FEDEX, USPS, DHL and LON-ESTAR. Freight isn't an issue with us since we have several freight companies that we can use for those king-size shipping needs. All services are available both domestically and internationally. In addition to meeting your shipping needs, we offer a selection of greeting cards, moving boxes, shipping boxes, regular envelopes and bubble mailers. We have a 24" laminating machine. Need business cards, banners or flyers? Come see us! We have personal mailboxes available to rent. We are a one stop shopping store! PakMail is an active part of Cell Phone for Soldiers. We are a recycling drop off point for bubble and peanuts. However, the most important thing that I have come away with from Leadership is the friendships that I have made with our class and members of the alumni. Thank you for your support and friendships!
