I began working in San Marcos in 1988 as a rookie police officer and then moved here in 1989. I love living in this community and being a part of the City of San Marcos. I have served on many boards and committees and met so many wonderful people. I have served on the Board of Directors for the Greater San Marcos Youth Council, GSYMC, for over 15 years. You may also know them as the Youth Shelter, but they do so much more. I am very proud of their mission to provide emergency shelter for kids in need as well as counseling services, mentor ship, and general assistance to kids and families in need. What they really do best though, is to provide a loving and safe environment to little ones who are often at a place in time where they feel neither loved or safe. I wouldn't begin to know how to say enough about the amazing staff there. They really and truly are the champions of doing so much with so little for so many. Side note and personal plug....if you would like to come meet some of them we have a fundraiser called The Night of Hope at Three Dudes Winery on April 27th, just call the shelter at 512-754-0500 for information.

Over the years I have had some wonderful job opportunities that have pulled me away from working in the city but I have still lived here and been involved in the community. My wife and I are very fortunate to have raised two wonderful kids here in such a great place. My daughter is attending college at Texas State working towards a degree in Physical Therapy and my son is graduating from the University of North Texas in May with a degree in Mechanical Engineering and a minor in Mathematics and Business Management. I am hoping with his mathematics degree he can solve the problem of how time has flown by and they are both as old as they are while their Mom and I have barely aged at all. Side note and personal plug...last one.....if you know of anyone looking to hire a Mechanical Engineer I know a great young man that can fill that position.

This past year I have had the honor of serving as the President of the Leadership San Marcos Board of Directors. I have had the opportunity to serve on the board with some really dynamic and passionate people. This has been a wonderful group of people and I am so very proud of the folks that step up and say I will, and then do their thing. I am also very excited for the current class as they prepare for graduation and are underway with fundraising for their project. This class needs and truly deserves your support for their project. They are raising money to help the Youth Service Bureau, YSB, buy a much needed van to provide services to the youth of San Marcos.

The biggest change for me recently, is that in March I accepted a position again with the City of San Marcos and I am the new Director of Neighborhood Services and City Marshal. In this capacity I get to work with the fantastic folks that are the Deputy Marshals for the Municipal Court, the Code Compliance Officers, the Health Department Sanitarians, the Park Rangers, the Animal Shelter, the Animal Control Officers, and the Emergency Management Coordination team. I am extremely excited about the opportunity to be serving this wonderful community again in a new capacity. The City of San Marcos is a great place to work and is another place filled with dynamic and passionate people that really want to serve the community. I look forward to meeting new folks and continuing to connect with those I know. Come by or catch me on the street and say Hi when you get a chance.
